

FEOHTE OF BRODERS (Battle of Brothers)
July 17 - 19, 2009
Reepham, Norfolk, England

The wind from the east has brought ships from our brother Principality in the north and with them comes war to Insuale Draconis. Nordmark now tries to invade ID; the Viceroy will not allow this to go unanswered. The Viceroy calls all warriors to make ready and rally to defend ID! Come and enjoy the 1st official war in ID between the two Principalities. This war promises to be fun for all, with war points being given for heavy fighting, A&S competitions and light fighting. Support your Principality and then participate in the bardic circle and enjoy the merry making to complete a great war!
